What is it? Each year, many local organizations and individuals generously provide approximately 45 scholarships for West Seniors. Each scholarship donor determines the criteria for their scholarship. The criteria vary widely, but may include one or more of the following: academic achievement, leadership, school/community service, athletic achievement, financial need, special interests/talents, personal character, or intended area of study.

Who can Apply? ALL SENIORS who have attended high school in the Madison Metropolitan School District for a minimum of three (3) full semesters. The 8th, or final, semester must be at West. West students at Early College STEM Academy are eligible to apply. In addition, seniors must complete and submit the West High Scholarship application to be considered for these scholarships.
