

Yearbook Orders - Last Chance!

Hello West Students and Families!

If you have not already ordered a yearbook for 2020-2021, you have until Friday at noon to do so. We **will not** have additional books for sale after Friday.

Not sure if you ordered one?

- Check Infinite Campus under dues/fees and look for a payment during registration for the yearbook amounting to \$50. It helps to filter those fees by the year.
- If you purchased one online through the website below, it will not show up on Infinite Campus, but I can always check it for you. Email me at jengelbart@madison.k12.wi.us.

Still need to purchase one?

Go to: <https://yearbookforever.com/>

Enter: Madison West (We should pop up)

Select: 2021

The yearbook staff is working hard to make this book just as meaningful and memorable as every other year. It may not have all of the events from an in-person year, but it does capture the 2020-2021 school year which will definitely be memorable and important.
