

Join the Student Voice Focus Groups for 2nd Semester!

Hello Scholars,

I hope your year is off to an amazing start. As you might know, last semester we met with our first cohort of the Student Voice Focus Groups for guided panels to discuss the culture at West High School. These groups were beneficial for both our staff and our students - students were given a place to share their stories, their views and their opinions, and staff were able to receive feedback in an organized manner, in order to implement changes in their classrooms.

As we start the second semester, we would love for more students to be a part of our second cohort of the Student Voice Focus Groups. Any and every student is invited - we are looking for students who are willing to share their stories and experiences so we can continue to make West a more inclusive place for all. Our staff want to continue to provide space where students are **SEEN, HEARD and VALUED**. We plan on meeting once a month on Wednesdays. If this sounds like something you're interested in, [please fill out this form](#) and Coach Gaines will be in contact with you.

Thank you and always strive for greatness!

Mr. Gaines
