

Holiday Gift Card Donations

Dear West families,

This holiday season we are asking for donations of gift cards to go to West families who are in need of financial support for Thanksgiving and the holidays. We are requesting \$10, \$25, or \$50 gift cards, from Pick N'Save, Walmart, and Woodmans. This holiday season will be particularly hard on our community, so please consider making a gift card donation. Every donation makes a difference and will help the holidays be a little brighter for your West community.

To donate: drop off your gift card donation near the Ash steps at West, on October 5th between 7am-11am, or October 8th between 2pm-6pm. Student Services staff will be there to accept gift card donations.

Thank you!
