

Grade 11 FuturePaths Program

Grade 11 families are invited to attend a series of live, virtual sessions on three aspects of the college planning and research process. The following sessions will be available for you to join online. Registration details and links are provided. Please note a Zoom link will be provided upon registration. A West school counselor will co-host each Zoom session alongside the college admissions representative.

We hope you can join us, and look forward to seeing you online.

West High School Counseling Team
