

# Seniors: Future Planning Work Day TODAY!

Hi Seniors,

Today in your Math, Science and Social Studies classes, you will have independent work time to focus on your future planning activities. There are tons of resources and links for you to check out in the [Future Planning Checklist](#).

## **Take some time today to dig into those college applications:**

- Narrow down your top colleges and identify application platforms and essay requirements
- send your transcript in Parchment
- begin or finalize your online College Application/s
- get feedback on your Personal Essay draft

## **Is a job or certificate program in your future?**

- research local virtual job shadows
- check out upcoming Building Trades sessions
- update your resume

## **Additional to-do's for Seniors:**

- join the counseling google classroom
- sign up for text messages from the counseling department

**If you have questions or need to check in with your counselor today, there will be Drop-In Zoom sessions from 2-3 pm.**

**Click on the link to join the optional zoom with your counselor.**
