

## **Update on Academic and Career Planning Today**

Good morning 10th & 11th grade students!

Today you are being asked to do a transcript review for Academic and Career Planning (ACP).

There was a change to Infinite Campus and what used to be "Reports" is now called "Documents". In order to access your transcript, click on "Documents" and scroll down to find "Transcript by Grade no Rank"

Please see [this slide](#) for visual directions.

Thanks!
