

Update on Yearbook Photos

Hello West Students and Parents/Guardians,

Due to online registration and students not being able to get a new Lifetouch portrait in time for publication, the Westward Ho yearbook will be collecting portraits from ALL STUDENTS, Grades 9-11. The deadline is November 25th.

If a photo is not submitted online, your Lifetouch photo from last year will be used. If no photo is available, students will be listed as not pictured, so please make sure to send a photo with a plain, neutral background for their yearbook photo. As nice as fall colors might be for a background, we are going to respect the seniors by reserving the fun backgrounds as a privilege for them.

We are ready to have you start taking those and submitting them through the following process. The deadline is November 25th. **Grab your phone or mobile device** and follow the directions below to make this process very easy!

Continue with the following process:

1. Read the attached information on the process.
2. Visit: <https://high5.id/p/u83iv>
3. Enter Student ID Number
4. Review the Dos and Don'ts
5. Follow the Directions

Contact Ms. Engelbart (jengelbart@madison.k12.wi.us) with any questions!

Throughout the year, we encourage you to [visit our website](#) for ongoing yearbook updates and requests!

Make Sure Your Student Gets in the West High School Yearbook!

Whether your student is in school, learning virtually or doing a hybrid of the two, the West High School yearbook staff is working harder than ever to get every student in the yearbook and cover every story during this unique, historic year. Walsworth and High5.ID have helped us by offering Selfie Portraits. It's a quick, easy and safe way to make sure we get your student in the yearbook!

- You can click on the link in this email. Make sure to have your student's ID number handy.
- You or your student will take their selfie portrait on your phone or computer webcam and upload.
- Photos are sent directly to our system and are used to create yearbook portraits and school IDs.

This entire three-step process only takes a few seconds. If your photo is rejected for quality issues, you may be asked to retake and submit. The deadline to receive all student portraits is December 1st.

Don't forget to order this year's historic yearbook before we run out! Your student will not want to miss out on all of the stories that are making this year so unique. Buy today, online at yearbookforever.com for only \$50.
