

Reminder: Yearbook Photos Due Tomorrow!

Please remember that **tomorrow** is the deadline for Yearbook Photos. An email was sent on November 17th at 4pm ([see that email here](#)) with the complete information. Here are the basics:

Continue with the following process:

1. **Grab your cell phone!!!**
2. Use Natural Daylight
3. Visit: <https://high5.id/p/u83iv>
4. Enter Student ID Number
5. Review the Dos and Don'ts
6. Follow the Directions

Use your cell phone to access that link and take the photo! To avoid selfie mode, click on the blue button in the top right of the camera screen in the app to flip the camera.

This does not require you to download an app. It just takes you to a website that will take the photo and upload to a database.

Use this method to avoid mistakes in photo placement and student names as we are navigating 2200 student photos.

Thank you!
