

# College Credit Opportunities While Still in High School

Hello 10th and 11th Grade Regents,

Did you know that you can earn college credit while still in high school at no cost to you or your family? We've put together a [YouTube video presentation](#) which gives an overview of the options available to students in MMSD.

If you are unable to access the YouTube video, the slides can be viewed [HERE](#). If any of these options appeal to you, please fill out the interest form at the end of the presentation or through the link [HERE](#) by Dec. 10th so that we can follow up with students who might be interested in college credit opportunities.

Please reach out to your counselor if you have specific questions about any of these options.

Thank you,

West High School Counseling Department
